WE CELEBRATE OUR GRADUATES!

Each of us carries a treasure in our earthen vessel. God designed these riches to be discovered and displayed to reveal His glory, not ours. That treasure is your potential! If You... Want to receive? Give. Want to be first? Go last. Want to save your life? First, lose it. Want to get even? Forgive. Want to be great? Be the servant of ALL. Give your life away – when you do, you'll find it!

Graduation marks the end of part of a journey and the beginning of a new one. Today we gather as a family to celebrate these students who are being launched into a new season of life. As a church family we have been invited by God to participate in the spiritual development of these students. For a very specific and often chaotic season, we get the privilege and honor of being adults who coach, mentor, disciple, and journey with adolescents who are exploring their faith and making it their own. Through joys and concerns, victories and losses, growth and setbacks, we've been able to come along side of students for many parts of the roller coaster ride, and have gotten to be part of a genuine transformation along the way.

It is 12 years of teachers, principals and administrators, who have faithfully done their part, which culminates in a graduation. It's also been said that it takes a village to raise a child. And to that an amazing collection of people have helped parents to mold and shape each student along their journey, and who are now part of their history.

You are God's field. God's building. Jesus is the Author and Perfector of your faith. It is Jesus who has the mysterious power for growth and transformation. We plant where there has been no seed planted, we water the work that has been done before us; and we prepare our students to continue to grow when they move past our ministries partnering with the power and purposes of the God who created them.

You have been entrusted with an amazing heritage as sons & daughters of the King. May God guide and inspire you to meet each new task and challenge with confidence.

We're very proud of each of you and your accomplishments!!
"God will command his angels to protect you wherever you go." –Psalm 91:1
