

## MYF SUPPERS 2019

Aug. 25, 2019

Dear Moms & Dads,

As part of our youth ministry we're asking Moms & Dads to assist a couple times each year with our Sunday evening MYF dinner. Attached is the schedule for the fall/winter semester. Please find your date and mark your calendar accordingly. **If you see that the date assigned will not work with your calendar, call another person on the list to switch with – then please call me at 953-1036 with the updated change, OR if you are unable to find someone available.**

Dinners are served in the Family Life Center Kitchen. **\*Please note: that the use of the kitchen does require signing out a kitchen key from the church office that week. Stop by the office mid-week between 8:30 AM and 5:00 PM to see Jill, and then please return key the first of the following week.**

Plates, utensils, cups and napkins are stored in the pantry along with several clear plastic tubs marked "YOUTH" which include lemonade, and sometimes unopened chips, cookies, etc. for your use (check to see what is available before your assigned date). There is a large freezer if you would like to purchase something in advance and place in the freezer (must be marked with name, date and event to be used). **For safety reasons, nothing may be stored in the refrigerator after opening without the event and date used -- clearly marked.**

**As you prepare to serve your meal, please put out 2 of the large trashcans and a liquid bucket OR bowl to collect any leftover drink.** After the meal, please gather up all the trash bags and take them out to the dumpster. Also, look for the pink clipboard over the prep sink to record your menu and the total you served.

**Plan to feed around 35 youth and adult leaders.** The church will reimburse up to **\$60** each week for dinner, just drop off your receipts at the church office when you return the key. Anything spent over the \$60 is welcomed as a donation.

As always, please **do not** plan on serving pizza! It will be easier for Randy to serve pizza the times when the youth are doing other things and he needs to feed them. Thank you in advance for your help... I know the youth greatly appreciate the meal!

In His Love,

*Angie*
