A Prayer For Your School: *God, every student that attends my school needs to feel that they "belong"; that they are important. Embrace them Jesus. Let them know that they are Yours and are part of Your Kingdom. Make each of us an instrument of Your love and acceptance. Father, since your joy is our strength, fill each teacher at my school with the joy that comes from you. Give them successes and moments of victory in the classroom so that they will delight in their profession. Replace fatigue frustrations, fear, and depression with joy. (1 Peter 2:9, John 15:11) --Keys to the Kingdom*
