**FUSION = Meet. Merge. Move.**  
*FUSION is the City-Wide Youth Event for both High School & Middle School teens that takes place around the National Day of Prayer. This year it takes place Sunday, April 29th. We will meet at the church for an early dinner at 4:30 pm, and then head to Bicentennial Park. It will conclude at 7:30 and we'll be back to the church by 7:45 pm. Special music, prizes and a whole lot more... Tell a friend you're going!*

**SPRING BIKE HIKE**  
 (Saturday, April 28th)  
 Don't miss this exhilarating one-day-trip on the Virginia Creeper Trail. \$27.00 gets you a bike rental, shuttle, helmet & bottled water. First stop - picnic lunch! Next - a 17 mile down-hill bike hike with a Hershey ice cream stop at the end of our journey! Then - that perfect kind of meal you can only get at a Cracker Barrel to top off our amazing day! Not to be missed!! Register now to reserve your bike!

**DO NOT GIVE UP** by Doug Cherry

- 1) We have been warned that times are going to get difficult. -1Tim.3
- 2) Many, if not most, will grow discouraged and give up. -Matt.24
- 3) To those who do not give up, but overcome these challenges, there is the reward of fruit in the Kingdom both here & eternally. -Rev.3:21

Whatever has, is, or will appear to be a disaster to you, remember the encouragement to endure to the end. Let's finish what we are called to do in this vital season! Satan will use every perceived failure, shortcoming, and tragedy to try to cause us to grow weary and lag behind. Family and church conflicts, financial crisis, problems with our health, and many other challenges must not cause us to back down from the next place God has called us!

# what's up?!?

## HUMOR—It's a funny thing...

Liam R. - Why do you press harder on a remote-control when you know the battery's dead?

Denise W. - Right now I'm having amnesia and deja vu at the same time. I think I've forgotten this before.

Ben H. - I think it's wrong that only one company makes the game Monopoly.

## HUMOR—It's a funny thing...

Adam W. - Five out of four people have trouble with fractions.

Meghan P. - Tell someone that there are 400 billion stars and they'll believe you. Tell them a bench has wet paint and they have to touch it.

Matthew C. - Last night I played a blank CD at full blast. The mime next door went nuts.
