Prayer From A Friend

I don't know all of the challenges my friends have, but YOU know EVERYTHING. I hear their silence, YOU hear their prayers. I see their laughter, YOU see their tears. I see when they give, YOU see what's been taken from them. I see their beautiful appearance, YOU see the scars in their soul. I experience their faith, YOU know their doubts. My prayer for them God is that YOU hear EVERY single prayer and meet them at their need. In Jesus' name. Amen.

A really cool thing is that God ALSO hears our silence, sees our laughter, knows when we give of ourselves, knows how beautiful we are on the inside and out, experiences our faithfulness in our relationship with Him. He's meeting your needs and my needs each day! Have you stopped to simply say...“thank you”?
