With the mandates of the Coronavirus why not have a Watch Party and invite those that may not have the internet or your friends to meet at your house on Sunday at **10:30am** to watch the live stream together on Facebook. This is a way we can still stay connected with our church family. Have brunch, coffee, etc. and enjoy the service and a little fellowship during this time. You can still keep distance from each other and keep your hands sanitized! Let us know if you do. Blessings!

Have you heard about one of our Missions here at Central? Soup for the Soul - a group that makes large batches of soup that are then available to distribute individually to our church family and community!

Perhaps you saw the email list of members that could use a nice warm bowl of soup during this time? At this time our list for bowls of soup keeps GROWING including many from outside our church.

Would you be willing to help? 1. Funds are needed to purchase ingredients for more batches of soup as our list continues to grow and 2. People willing to deliver soup are needed as well...

Thank you for your willingness to help Central Church "be" the church in these troubling times.

Your donation can be mailed to the church office or dropped off in the office (someone is usually in at this time), or you can text to give or give online...more info about these options can be found on our website or facebook page...
